DESCRIPTION: The PowerLift easily fits in elevators.

DESCRIPTION: With PowerLift PL65, you can easily work over any obstacle.

THAT'S MY BOY

Please don't worry the way other fans
Do to the way they act.
He's only just a kid like them.
He needs a lot of love.

I do not want the way that they
For you to call him names.
He may not be a superstar --
It's just a beautiful game.

No please don't worry them when they hear
They do the best they can.
They never need to lose a game.
They'll love and love to play.

The game belongs to them, you see.
They'll get a game.
They do not need a fan like you.
They need the very best.

If you have nothing nice to say,
Please leave the boys alone.
And if you hear no children,
Why don't you stay at home.

No please don't worry them they'll draw lines
Each one's a parent's son.
We're here, you see -- in SA
They're Number One!!
